SCALA 1 : 25

A photograph of a natural landscape. In the foreground, there is a dense thicket of tall, dry, golden-brown grasses and reeds. Behind this, a line of bare, dark trees stands against a bright blue sky filled with wispy white clouds. The ground in the middle ground appears to be a mix of dry grass and some low-lying vegetation. The overall scene suggests a late autumn or winter setting in a rural or natural area.
